

VERY URGENT CALL TO ACTION for the SOHS Campaign

The SOHS campaign group would like as many people as possible to send polite requests by email and or letter to councillors on the Health and Wellbeing Scrutiny committee. Please could you ask them to do two things at their meeting on November 8th? Below, are their email addresses, based on their names; attached is a file listing the electoral divisions they represent, their party affiliation, their physical and email addresses and phone numbers.

Some of you will already have had this message by means of Facebook. Please use any Facebook or Twitter account the listed councillors may have to contact them. Please pass this message onto anyone else you may know who might contact these County Councillors by whatever means. They need to hear from all of us. They need to know this is and we are serious.

Please ask any/all of the County Councillors listed to:

- 1) Demand the immediate publication of the second draft of the STP plan for Wider Devon
- 2) Support the following two motions at their meeting on November 8th. The motions are: Proposed Cuts to Devon Health Services and Impacts on Patients (Councillor Biederman) and NHS Success Regime (Councillor Greenslade).

These are the email addresses of the councillors on the committee meeting at County Hall on November 8th.

eileen.wragg@devon.gov.uk; claire.wright@devon.gov.uk; robin.julian@devon.gov.uk

It would particularly help if Andy Boyd (Torrington), Caroline Chugg (Braunton) and Robin Julian (Bideford South and Hartland) in particular heard from constituents in North Devon. But wherever you are located you can and should contact any of these councillors, especially the conservatives who might be less likely to support these motions or make demands of their leadership.

Please make your own appeal or use what follows as a template:

Dear Cllr.

Please could I urge you to give support to Frank Biederman and Brian Greenslade's motions put up for consideration at the Health & Wellbeing Scrutiny Committee

meeting on November 8th? The motions are entitled: Proposed Cuts to Devon Health Services and Impacts on Patients (Councillor Biederman) and NHS Success Regime (Councillor Greenslade).

Additionally, for the sake of clarity and fairness I appeal to you to insist that the second draft of the STP plan for wider Devon submitted to NHS England on October 21st be published immediately.

Please tell Devon County Council leader John Hart to demand its immediate publication. If it has not been released by the time of the November 8th meeting, please tell the STP/Success Regime representatives who will appear before you at that meeting that your constituents are asking that you demand it be put into the public domain immediately.

Yours sincerely,

.....

Write, email, telephone the following County Councillors who compose the Health & Wellbeing Scrutiny Committee and ask them – politely – to attend and vote in favour of the two motions being put before them at the Committee’s meeting on November 8th. The two motions are entitled:

Proposed cuts to Devon Health Services and Impacts on Patients (Councillor Biederman)

NHS Success Regime (Councillor Greenslade)
