SOHS's *Care Closer to Home* Survey  
is now **ONLINE** and customised for the  
**WHOLE OF DEVON**

**So can you help us find the  
FACTS**

**about *Care Closer to Home?***

We want to hear about the experiences of anyone who at some point since 2013 has received nursing/medical care or personal care at home after spending time in a Devon hospital.

You can complete the survey as a **patient** or as a  
**spouse/partner/relative/friend**.

Your privacy will be **protected** and your data will be **safe**.

If you have any questions, e-mail: [ray.ashman77@gmail.com](mailto:ray.ashman77@gmail.com)

NOTE: The survey is NOT about the quality of work carried out by community nurses and carers: we know they do an outstanding job ☐ It is about how well processes and procedures are working for patients who receive care in their own homes rather than in hospital.
